

**Do you want to meet new friends and visit new European countries?  
Do you think you can leave your comfort zone and try something different?  
Are you eager to work with your peers on interesting projects?  
Would you like to improve your chance to find good job after school?**

Your school, together with four other schools from countries in European Union (Czech Republic, Hungary, Poland, Slovakia, Slovenia), took a part in the Erasmus+ project called „Project Learning for better Establishment on Labor market“. In this project you have a chance to improve your hard-skills and soft-skills by working together with your peer from other country on technological project next school year.

**You have chance to:**

- improve your foreign language skills
- learn planning, testing and evaluation
- work in team with student like you
- travel to country of your teammate
- improve your chance to find a good job
- improve your communication skills
- use project to finish your tech subject
- meet interesting people
- challenge your skills and knowledge
- earn Europass Certificate Supplement

**If you are interested, contact ..... at your school and find out more information. Join our big family of more then 70 people.**

**Co-funded by the  
Erasmus+ Programme  
of the European Union**
